AZ CORP COMMISSION
DOCUMENT CONTROL

IN THE MATTER OF THE APPLICATION OF
LAGOON ESTATES WATER COMPANY FOR A
RATE INCREASE.

DOCKET NO. W-01825A-04-0546

PROCEDURAL ORDER

BY THE COMMISSION:

On July 28, 2004, Lagoon Estates Water Company ("Lagoon" or "Applicant") filed with the Arizona Corporation Commission ("Commission") an application for a rate increase.

On August 26, 2004, the Commission's Utilities Division Staff ("Staff") filed a Letter of Deficiency.

On October 8, 2004, Staff filed a Sufficiency Letter and classified the Applicant as a Class D utility, and pursuant to A.A.C. R14-2-103, the timeclock rule, the Staff Report for the above-captioned matter was to have been filed by December 22, 2004, and an Order issued by April 6, 2005.

On December 16, 2004, Lagoon filed a letter requesting that the timeclock rule be suspended and requested at least a 30 to 60 day suspension of the timeclock rule to file data relative to its arsenic treatment costs. Staff did not file a response, but indicated by e-mail to the Hearing Division that the data was not filed until March 7, 2005, and has resulted in a delay in the preparation of the Staff Report.

Accordingly, Lagoon's request should be granted and the timeclock rule should be suspended.
